

A man with a beard, wearing a white dress shirt, a red tie, and dark trousers, stands in shallow water. He is talking on a mobile phone held to his ear with his left hand and holding a pair of black dress shoes in his right hand. He has a conference badge around his neck. The background shows a calm body of water and a hazy horizon. The top of the image features a blue diagonal banner with white text and a small red Swiss flag icon. A circular cyan graphic in the bottom right corner contains text and a website URL.

Appealing Social Programs

The day is long not over when the work is done. Zurich has a host of attractive sights besides its historical Old Town and beautiful lake. Zurich is synonymous with a wide range of activities, attractions and excursions. We would be happy to arrange for you unconventional, city or Alpine tours – at any time of the day or night.

Guided City Walks and Tours

Stories of the Old Town

Why do locals, too, go on guided tours around Zurich? Because Zurich's history and folklore is simply fascinating. And because there are so many hidden corners to discover and thrilling anecdotes to hear.

New Life in Zurich-West

Nowadays, a leisurely style of living prevails in the quarter where machines once clattered and people worried about the future following the decline of its former industries. Zurich-West is a fascinating example of successful urban development.

Night Watchman Tour

The night watchman will tell you "gruesome" stories of executions, hangmen and witches, plagues and city fires. They are accompanied by all kinds of other anecdotes that will both amaze you and make you smile.

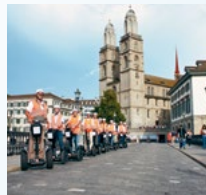

City Tour with a Private Guide

From the comfort of your tour bus, you can discover the highly popular area around Zurich's lake basin, the architecturally interesting residential and business district of Zurich-Enge, and the Zürichberg quarter, home to grand villas and Zurich Zoo.

Segway City Tour

Get around in an unconventional way: Zurich can be explored simply and easily on a Segway. These easily maneuverable two-wheeled electric vehicles guarantee a fun excursion and dynamic group experiences outside in the fresh air.

Excursions

Rhine Falls

Visit Europe's largest waterfall and experience the rushing masses of water close up – whether from the viewing platform or from the boat that takes you onto the middle rock in the waterfall basin.

Einsiedeln – Tour of the Abbey

Experience the colorful world of baroque architecture and get an unforgettable insight into the history, life and spirituality of the Einsiedeln monks and the 1,000-year old culture of the Benedictine Abbey.

Atzmännig – Rent the Toboggan Run

Enjoy exclusive use of the Atzmännig toboggan run after closing time for your group, corporate or club event. This is the perfect way to kick off an enjoyable evening. A chairlift takes you to the start, from where you set off on a ride down the mountainside.

Engelberg – Mt. Titlis

A ride on the cable car takes you in comfort from Engelberg, with its famous Benedictine monastery, up to the summit of Mt. Titlis. High above the world below, a magnificent panoramic view awaits you at the altitude of 3,200m (10,500 ft.).

Lucerne – Mt. Pilatus

While climbing on this legendary mountain was once prohibited, the world's steepest rack-and-pinion railway has been transporting visitors up to the top of Mt. Pilatus since 1889. The trip by gondola from Kriens offers a magnificent circular tour.

Team Building

Foxtrail: the City Scavenger Hunt

Follow tracks, crack codes, solve puzzles: the modern-day scavenger hunt, will take you backwards and forwards through Zurich. These exciting tours of discovery are ideal for building team spirit, as well as for creating a relaxed atmosphere.

Farm Tournament on the Adventure Farm

Even the thickest of ice will be broken during challenges such as “chicken” throwing, cow milking and tractor racing – an ideal team event. After the tournament located just outside Zurich, you can enjoy a delicious meal – direct from the field onto the plate.

Car-Building Workshop

Fancy a new company car? In Zurich, we offer a great event that also reinforces the sense of team spirit by building your own car yourself. And not just a pretend car, but one that actually moves.

Culinary Activities

Chocolate Experience

In the out-of-the-ordinary setting of an historic chocolate studio and under the supervision of the Lindt Master Chocolatiers, you learn how to work with chocolate and create your own delectable masterpieces.

Voyage Culinaire

Savor Zurich with all your senses: gastronomic discoveries in selected restaurants, a wine presentation, a guided tour of a tower, and various team activities all promise a truly memorable evening.

Activities on the Water

Stand-Up Paddling City Tour

Explore Zurich from the water – in the course of an active leisure pursuit of a special kind. On this guided tour, you will discover some history-steeped places of interest standing on a paddling board, and learn more about the Water City.

Dragonboating on Lake Zurich

Dragonboating combines the skills of an Asian sport with a thrilling, communal experience on the water. Paddling to the beat of the drum, the crew members develop a team spirit in a fun way.

Lake Cruise with Wine & Cheese Tasting

Relax and enjoy the wonderful panoramic views and the fresh lake breeze after a busy working day. During the cruise, a wine expert will treat you to a selection of Swiss wines and cheeses for tasting.
