# NICE LOCATION GOOD ACCESSIBILITY

---

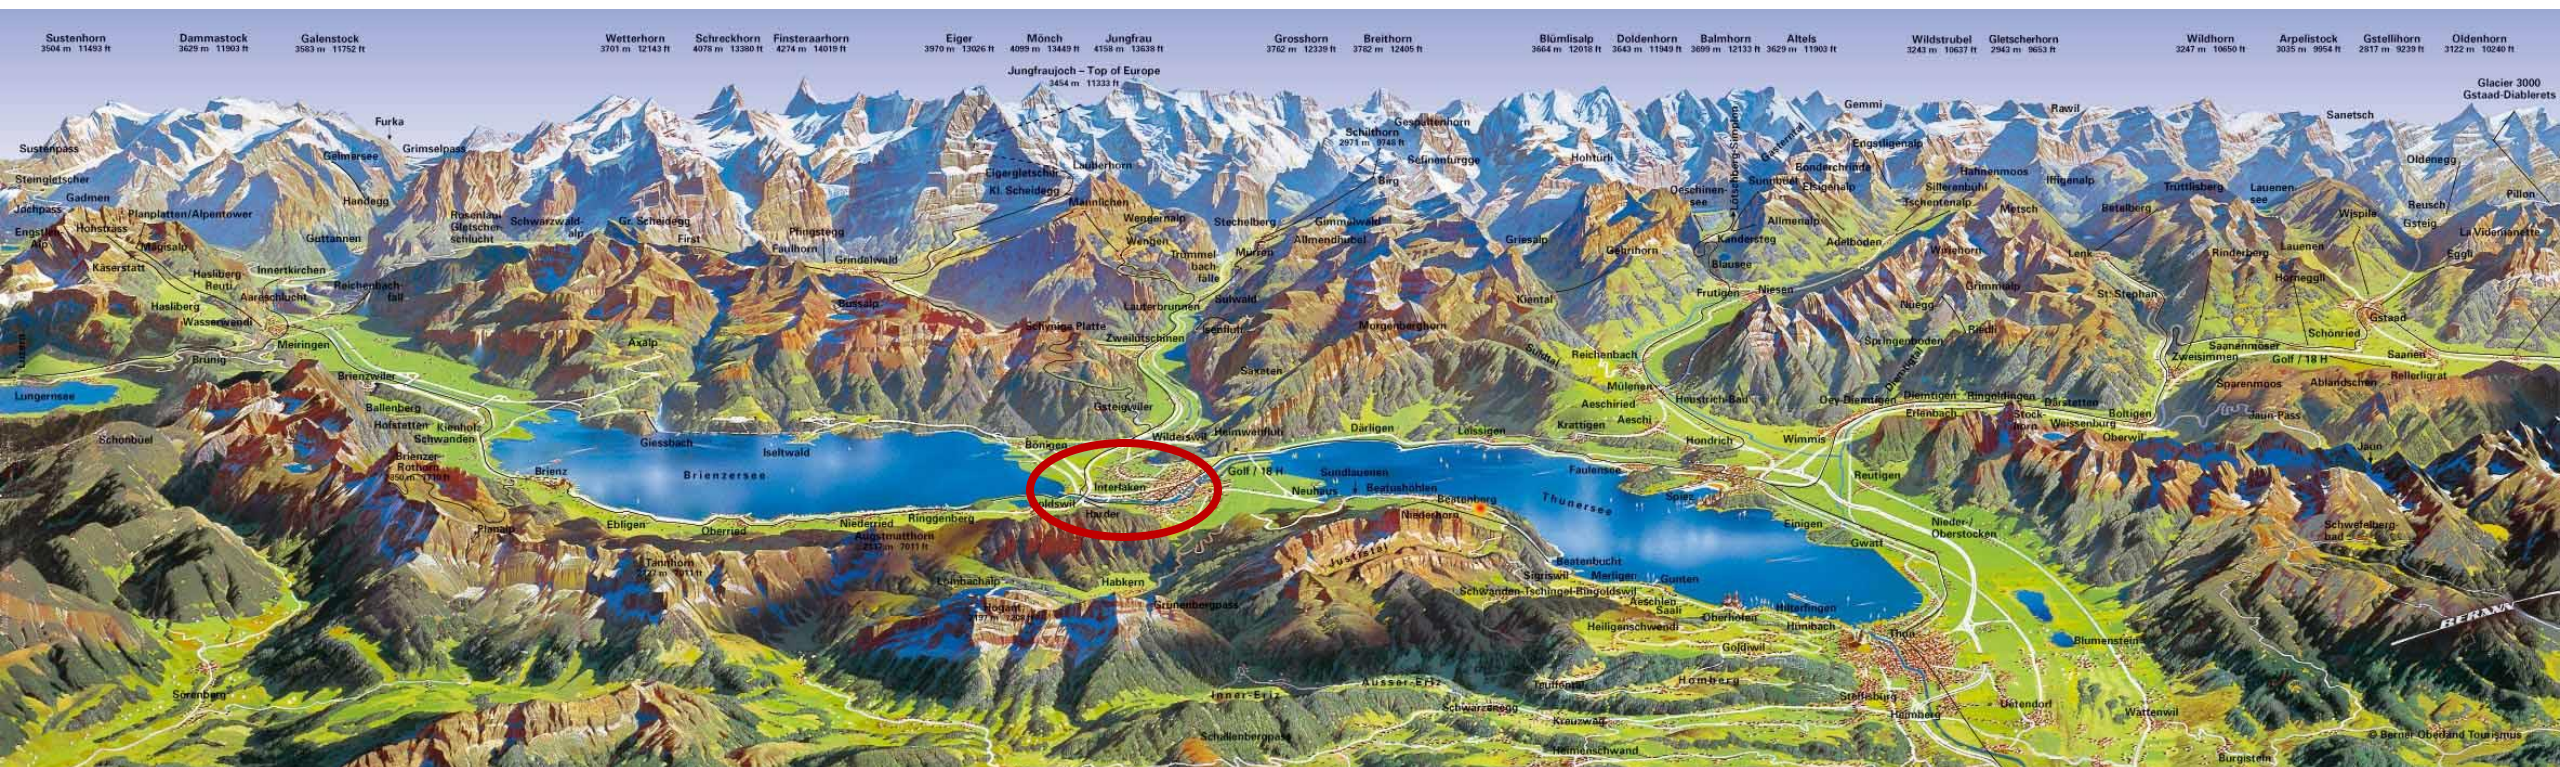

Interlaken is situated in the middle of Europe and in the heart of Switzerland and easily accessible by public transport

# SURROUNDED BY LAKES AND MOUNTAINS

Interlaken - a congress and event destination with high experience value.

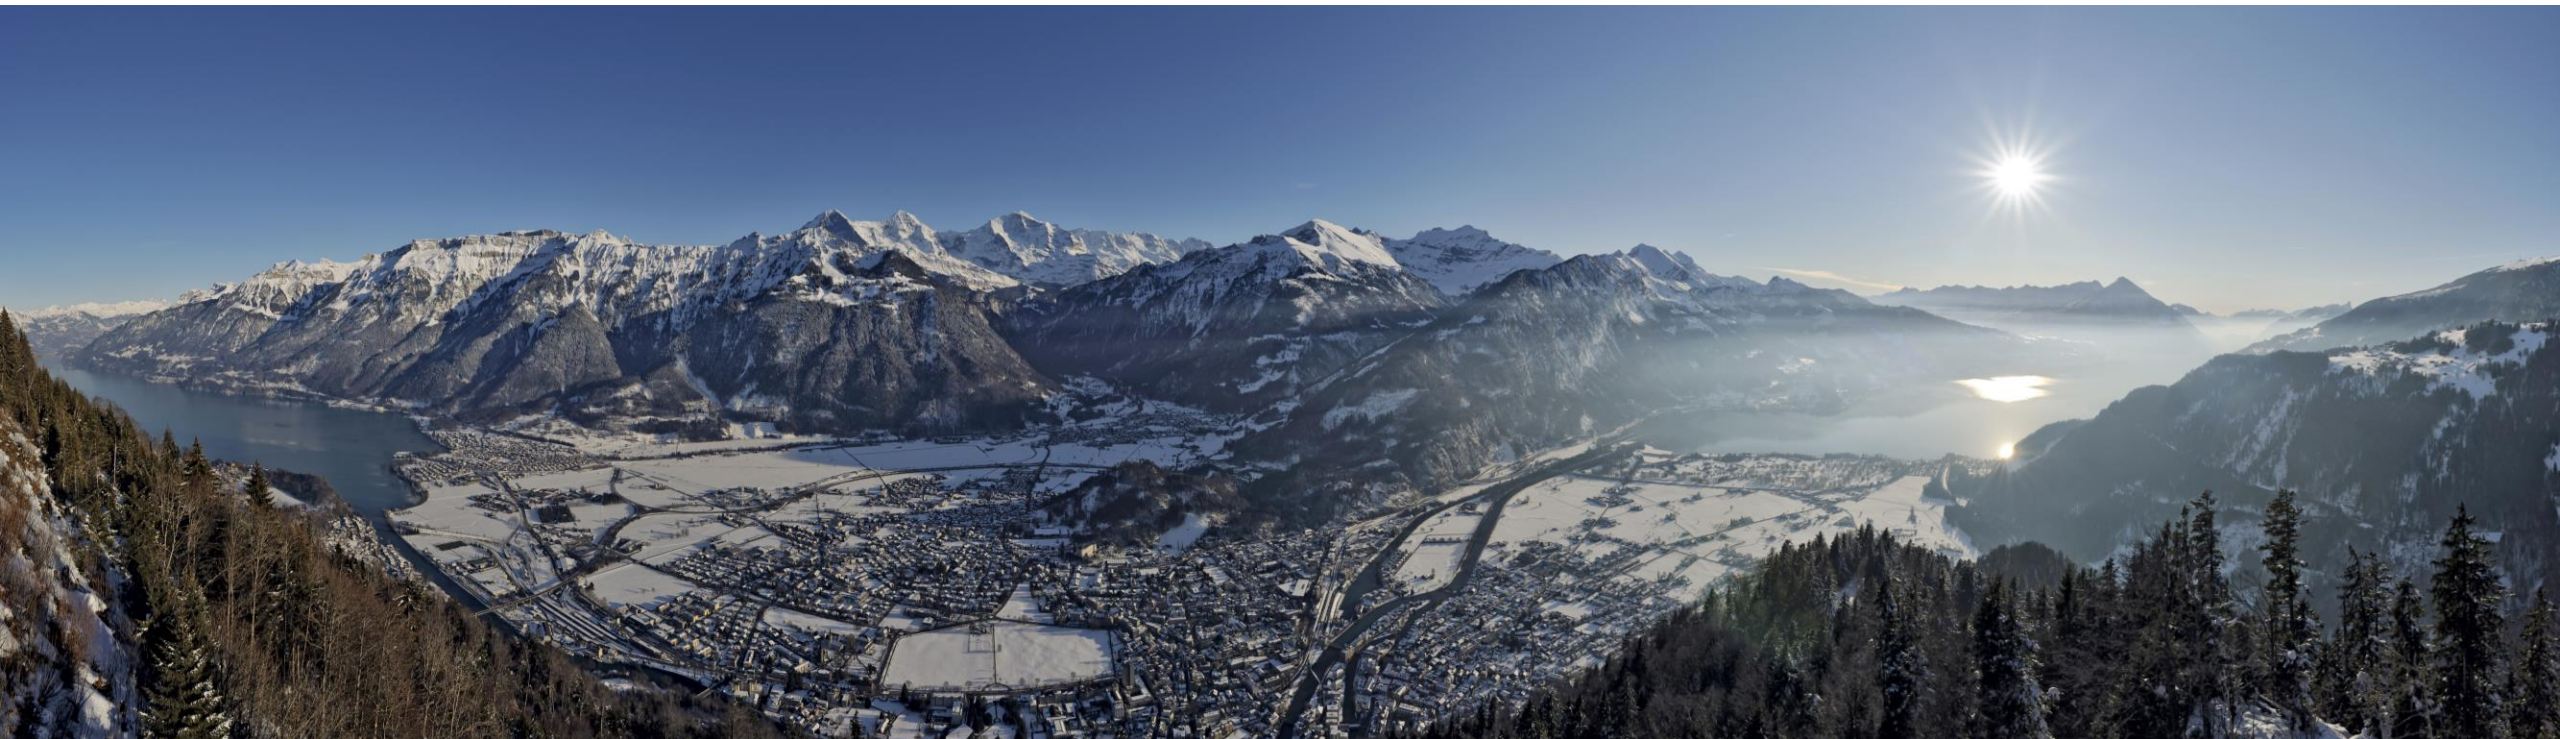

# BY FAR THE SHORTEST DISTANCES

---

Whether meeting location, hotel, train station or social program - here everything is in one place and within a few minutes walking distance. So, you are automatically environmentally friendly on the move.

# GREAT LOCATIONS FOR SPECIAL EXPERIENCE

---

Here events become unforgettable highlights. You will find everything from modern auditoriums, magnificent halls and stylish modern venues to traditional premises on the mountain or by the lake.

---

Experience a lot outside the meeting rooms - all year round, indoors or outdoors – Interlaken offers countless and varied opportunities for shared experiences. In the morning still in the meeting room in the afternoon already on the ski slope - this and much more is possible.

---

Awarded the Energy City label, Interlaken stands for environmentally friendly and conscious recreation as well as environmentally friendly mobility. Interlaken can also draw on a wealth of experience when it comes to sustainability and actively support you in making your event sustainable.
